

This is a pretty block and we're going to make it feel like Spring. First, you'll need a pretty floral (A) for the focus center. Then, you'll need a white or off white (B) (no prints). Then, a dark green (C) and a medium green (D). And, last, a small amount of a color (E) found in your focus floral center fabric (but not green). Here we go!!!

From the floral (A) cut: 1 each 4 1/2" square

From the white (B) cut: 4 each 5" squares (cut diagonally) and 2 each 3" squares for hsts

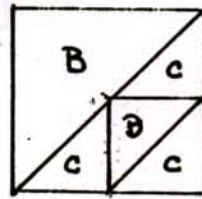

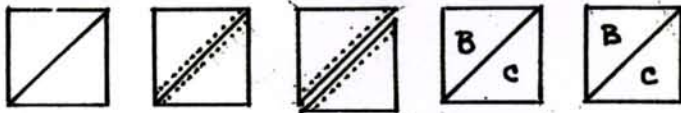

From the dark Green (C) cut: 2 each 3" squares for hsts and 4 each 3" squares cut diagonally

From the medium green (D) cut: 4 each 2 1/2" squares and 2 each 3 3/8" squares for hsts

From the matching color in focus floral cut: 2 each 3 3/8" squares for hsts

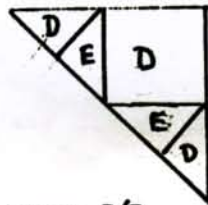

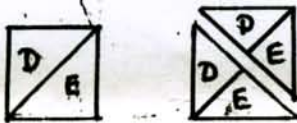

From the 3" dark green & 3" white squares, make half square triangles. Same drill, right sides together, draw a diagonal line on back of white, stitch 1/4" on each side of drawn line, cut on drawn line, open and press to dark. Repeat process. Make a total of 4 units and square all to measure 2 1/2".

Now, add the 3" dark green triangles to the two sides. Make 4 units. Then add a 5" white triangle and square all units to measure 4 1/2". Set aside.

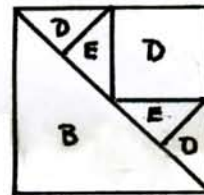

ADD "C"
THEN ADD B
MAKE 4
SQ TO 4 1/2"

Now, make half square triangles, using the 3 3/8" medium green (D) and floral color (E) squares. You will have a total of 4 units. Cut each unit diagonally. Then, add a half to each side of a 2 1/2" medium green square making sure the floral color (E) is next to the medium green square. Make 4 units. Then, add a 5" white triangle and square all units to measure 4 1/2".

ADD D/E
TRIANGLES

ADD B
MAKE 4

SQ TO 4 1/2"

Assemble you block, following the piecing diagram attached. Arrows represent suggested pressing directions. Be sure that the dark green triangles are positioned so green goes from lower left to upper right when stitched to the floral center. Sometimes it helps to use colored pencils on the diagram to assure proper placement. Completed block should measure 12 1/2" (12" finished). If you have any problems or questions, please call GLENNA (830)996-3069.
