

# Crazy Patchwork

## Supply List

Plastic Box (no bigger than 16" x 16" x 6-7") Can be smaller, however, the reason for this size is to keep gals from bringing a trunk full of threads, bead, buttons, laces, bobbles, etc. The class room can only hold so much stuff. This will be ample to start you on the path to Crazy Patchwork.

Place any of the following you might have in the box....When the box is full, you've got enough!

Embellishments such as old laces, buttons, ribbons, threads, trinkets, beads, etc.

1 – base block not larger than 14"

Marking tools (Chalk pencils for dark fabrics)

Embroidery needle – size 8

Beading needle, Chenille needle – size 18 - 24

Scissors, Basic sewing kit

A Crazy Patchwork workshop designed and taught by Alice Wilhoit
