

Special Exhibit of Antique Quilts

Quilt Show 2008

If space allows, there will be an exhibit of antique quilts to carry out the theme of "Threads of Our Past".

It is impossible to know how many quilts might be needed, so quilts will be accepted on a first entered, first taken, basis. You will be notified after June 1 if there will be room for your quilt to be displayed. The following guidelines apply:

1. Quilts on display must have been made before 1950.
2. Quilt width (measurement across the top) must not exceed 96".
3. You must be willing to let the quilt hang for display and must have a sleeve attached for hanging.
4. Entries must be received before June 1, 2008.
5. Entries must include a photo for ID purposes.
6. Quilt must have a label with your name for ID purposes.
